Google Classroom Login

Summary: Google Classroom simplifies creating, distributing, and grading assignments in a paperless way. The primary purpose of Google Classroom is to streamline the process of sharing files between teachers and students.
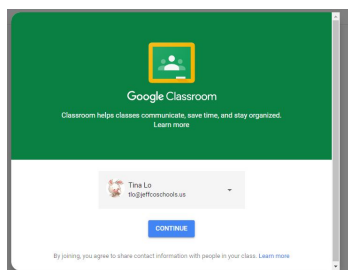

How do Teachers log into Google Classroom?

1. Ensure the user is logged into the Chrome web browser.
2. Go to https://classroom.google.com
   - **Bookmark this site for future reference.**

New teacher users to Google Classroom
You will initially see this popup to select the correct Google account. Select your jeffcoschools.us account.
Then select "continue"

Next: Select your role (teachers should **always** select the teacher role)

**Note: It can take up to 24 hours for new teacher account approval**

3. Once an approved teacher user has navigated to this site, they can create a class.
4. To create a class-click on the plus sign in the upper right-hand corner
